## Report of Principal and School Improvement Council

Taylors Elementary School is community school nestled within several neighborhoods of Taylors, SC. The school mission statement of "Excellence in Achievement, Actions and Attitudes," has been created by stakeholders and truly defines our daily mission. We believe in providing high quality teaching and a challenging curriculum where all students can be successful. We believe in promoting positive behaviors and good citizenship through our Life Skills recognition program. We believe in being a "Green School" and teaching students to use resources wisely. We believe in building support for the school through positive and meaningful relationships with all stakeholders.

Taylors is proud to have received an "A" rating based on the 2012 ESEA Federal Accountability Rating System, as well as "Good/ Good" on the Annual School Report Card. Although the marks are high, we know that we need to continually work collaboratively to meet every student's needs. Through the use of planning guides and a focus on literacy, we hope to continue earning an "A" each year while always working to improve school programs. Curriculum maps and the district portal continue to help guide teachers to provide high-level standards based instruction to ensure instructional goals are met. Goals are measured regularly to monitor student growth and performance.

Taylors Elementary focuses on Life Skills to help prepare students to become good citizens. Students are given opportunities to be leaders in the school through programs such as Chorus, BETA, Student Council, Safety Patrol, Book Buddies and News Announcers.

Looking towards the future, it is always our goal to work together as a team with students, families, staff, faculty and the community to prepare our students to become successful members of our society. It is with this goal in mind that we continue to strive each day to meet the needs of the whole child, academically, physically and emotionally, and to make a difference in each child's life.

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
