Report of Principal and School Improvement Council

Woodfields students strived to stay Safe, On Task, show Actions of Respect, and to be Responsible (SOAR) during this last school year.

We used PBIS (Positive Behavioral Interventions and Support) in our classrooms to help students become responsible for their own learning and behavior. We began the implementation of the Common Core Standards in math and reading. We continued to work on ways to “close the achievement gap” by looking at the needs of our students and giving those students learning activities designed to help them achieve their best.

Our students raised money for community service organizations. Our drill team performed at Relay for Life and other community events.

The highlight of our year was being named a 2012-2013 Palmetto Silver Award winner for the second year in a row, and receiving an “A” on the state NCLB waiver.

We had many curriculum offerings, including ACTS, the arts magnet program, Reading Recovery, GATAS, a Computer Lab ,Art, Music, PE, and Special Education Services.

Our PTO supported many family activities and we had many volunteers who regularly helped us.

We continue to “SOAR” at Woodfields Elementary School.

Mrs. Virginia Metts, Principal
Myrna Arnold, Chairperson – Woodfields School Improvement Council

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
