Report of Principal and School Improvement Council

What an exciting year at Ware Shoals Primary School. We are thrilled to have been awarded the Palmetto Gold award in both the General Academic Performance and Closing the Achievement Gap categories! These accolades provide us with an assurance we are on the right path for academic excellence. Although we are proud of the recognition we received, we continue to refine our instructional practices to ensure students are provided with optimal learning opportunities.

Our focus this year has been on small group literacy instruction and the construction of common assessments. Grade level teachers have created benchmark evaluations which are administered at the end of each nine weeks. These benchmarks ensure all Common Core Standards are emphasized and as a result provide a consistency across each grade level. Character education also plays an integral part of our curriculum. Positive behavior is frequently celebrated and we understand it to be an integral part of our student's success outside the classroom.

We are truly fortunate to have the continuing support from students, parents, and our community which allows us to push towards our district vision of "Learning, Serving, and Leading".

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
