Report of Principal and School Improvement Council

Varnville Elementary School (VES) is very proud of our accomplishments and excited to share our recognitions and activities from our 2012-2013 school year. Based on the ESEA waiver that was granted for grading, VES is pleased to announce we received an "A" with a point grade of 93.1. We were also recognized as a Title I Reward School for Performance, being among the highest performing Title I schools in a given year. Our report card Absolute Grade was Good. Almost 80% of our students scored Exemplary or Met on PASS Math and Reading.

VES had several teachers receive Palmetto Bright Ideas grants totaling \$3,230 and a teacher received a Donors Choose grant for a classroom learning rug. We have 6 NBCT's on our staff. We participated in the Literacy Matters Pilot Project: High Progress Classrooms through the SDE this year. A literacy specialist provided support at least two times a month helping us understand and implement the elements of high-progress literacy classrooms along with analyzing data to help guide our instruction. Teachers continued their instructional and professional growth by participating in our weekly Study Groups. We focused on the Common Core and areas of interest as indicated by teacher surveys. We continue to use data to drive our instruction and to help make decisions for what is best for our students. Through grade level weekly collaboration, school and district level workshops and early out professional development days, we present and share information on best teaching strategies.

Our commitment to providing the best educational experiences begins with our four Child Development Educational Pilot Program classes. Using "Breakthrough to Literacy" provides each child a home library of at least 20 books by the end of the year. Now in our 4th year of Positive Behavior Interventions and Support (PBIS), we remain a PBIS "Ribbon" school. The school culture promotes positive reinforcement of the VES school-wide expectations...Can Be Responsible, Use our Minds, Be Respectful, and Stay Safe. Our goal is to consistently teach proper procedures & behaviors rewarding students with 'positive bear paws' for their on-task behavior.

We participated in many service and community projects throughout the year giving our students the opportunity to learn the value of service to others. The third grade students presented a program and decorated the town's Christmas tree for Arbor Day. Students got to jump for the "Jump Rope For Heart" (AHA) by making donations and learning about how this helps individuals with heart disease. The VES Relay for Life team raised over \$3,500 (a school record) and was recognized as a Bronze Team and received an Outstanding School Award. VES recognized our community veterans on Veterans Day and the retirees of education in our district with a special luncheon in their honor. Volunteers are recognized with a breakfast at the end of the year.

A super dance program was performed by our second grade students under the direction of Mr. Karl Singletary, artist-in-residence. Mr. Buren Martin and the Baillie Players helped our students perform "Little Red Riding Hood" and it was truly a hit.

The commitment of our community, parents, students, SIC, PTO, and staff help every child reach their potential. "We do our best at VES...Read and Succeed!"

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
