Report of Principal and School Improvement Council

Green Sea Floyds Elementary has had a great year. We are very excited about sharing our achievements and accomplishments. We are a compassionate learning community comprised of highly-qualified educators, hardworking students, and dedicated parents. We attribute our successes in 2012-13 to the commitment, hard work, and compassion of the students, staff, parents, and community. GSFE earned the Palmetto Gold Award. GSFE is identified as a Title I Focus School as data reflects a performance gap between sub groups.

At GSFE we continue to provide differentiated instruction to meet the needs of our diverse population. Through the use of CIRCLE in child development and DIBELS in kindergarten, first and second grades, we constantly monitored students' reading progress. MAP was administered in second through fifth grade in reading, math, and language. Intervention programs were implemented to accelerate student growth. By identifying the strengths and weaknesses of students on these assessments, charting growth, analyzing how and why this growth occurred, and providing a research-based curriculum through rigorous instruction, we moved students to higher levels of learning.

The use of interactive content boards and timelines, science kits, student notebooks, and district benchmarks continued to strengthen science and social studies instruction. Our Title I funds supported reading recovery, interventionists, parent workshops, and teaching positions. We provided computers, iPods, and iPads in classrooms which enabled each student to have access to and utilize technology daily in the classrooms. GSFE was represented by twelve teams at the Technology Fair. Nine of the twelve teams received awards.

Our work with PBIS has created a positive, safe school climate where everyone strives to be respectful, responsible, and build positive relationships. Students were recognized for making good choices and using appropriate life skills. Our school family participated in Relay for Life, Talking Trash, Multiple Sclerosis Bike Ride, Caps for Kids, Pink Out Day and a canned food drive with Caring For Kids. We also collected can tabs for the Ronald McDonald House and Box Tops for Education. We have been blessed to have the support of a caring community as evidenced by the success of our clothes closet, Backpack Buddies, Angel Tree, Kiwanis Club and Good News Club. The partnership between home, school, and community was vital to our success this year. Teachers received grants from local businesses and Donors Choose to purchase instructional supplies and interactive technology. PTA sponsored successful fundraisers, family events, student reward programs, Fine Arts Day, and field trips. Stakeholders gave freely of their time to support our students and school.

The Green Sea Floyds Elementary school theme, Where It's All About Kids, exemplifies the focus and commitment of our community to provide a quality education so that all students achieve academic excellence.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	88.4
Overall Grade Conversion	B
