**Report of Principal and School Improvement Council**

The focus of Eastside Elementary School is to prepare all children for life in a fast-changing complex world. This preparation for success incorporates 21st century skills through our strong innovative and creative curriculums. EES is united by our community’s commitment to excellence and to inspire all children to strive to meet their fullest potential by providing a challenging yet nurturing environment.

Accountable measures are in place which reflects our commitment to a learning environment that values academic rigor, diversity, fosters respect and understanding in a safe supportive environment for teaching and learning. Eastside students continue to score above the state average on the South Carolina Palmetto Assessment of State Standards. This year our school received a Gold Award for achievement on the South Carolina Palmetto Assessment of State Standards. In addition, Eastside Elementary received a Gold Award from the Education Oversight Committee for closing the achievement gap. The interpretation of student data is an important part of daily instruction at Eastside. MAP, PASS, and running records are some of the results used to provide targeted instruction for students. Administrators and teachers conduct conferences with students to discuss individual MAP results and to set goals for progress.

Service learning projects and extracurricular activities are an important part of our curriculum. This year we raised money for the America Red Cross, United Way and Relay for Life. Students participated in the BETA Club, Safety Patrol, Morning Announcements, Terrific Kids, and Student Government.

At EES, we believe that it takes a combined effort to educate and prepare our children for the future. Our PTO and SIC work diligently to help meet the needs of our school by supporting school-wide programs and projects that make EES a great place to be. We are proud to have them as a part of the Eastside Family and we are looking forward to a great 2013-14 school year!

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
