## Report of Principal and School Improvement Council

We are happy to report that 2012-2013 has been one of Oak Grove Elementary School's best years. We have dedicated students, teachers, administrators and parents working together to prepare our students to be 21st century learners and leaders. As a result, our students continue to excel personally and academically. We were honored to be named a National Blue Ribbon School 2012 and proud to receive the S.C. Department of Education's Palmetto Gold Award for general performance and a Silver Award for closing the achievement gap.

Our goal was not only to help our students become successful 21st century learners but also to become 21st century leaders. Student learning included working on the skills of creativity, collaboration, critical thinking and communication. As part of the OGES experience, student leadership became an integral part of the regular curriculum through "The Leader in Me" program. As a result, discipline issues went down while academic achievement went up. Meeting the needs of our diverse population presents challenges. Our success with the Response to Intervention program helped us provide needed support for student progress. Teachers used collaborative planning sessions to further diagnose weaknesses. The use of common assessments also helped us meet the needs of all students. Our data indicates that many of our students are in need of support in the area of writing.

Our professional learning community participated in book studies that included "Productive Group Work" by Frey, Fisher and Everlove, as well as "A Repair Kit for Grading" by O'Connor. We participated in staff development through FranklinCovey, which included "The Leader in Me" implementation strategies for our students.

Our motto was updated to "Leading the Way the Patriot Way," and we completed year two of a three-year process of becoming a Lighthouse School for leadership through FranklinCovey. Our student leadership program supports our LexLeads initiative. During this process, we help our students become effective leaders using "The Leader in Me" and "The 7 Habits of Highly Effective People."

Family night flashlight walks and our "Walk to Santa Monica" activity supported the LexLives initiative. Students and staff used the track for walks in the mornings and at recess. OGES received a Silver Partner Status award from the South Carolina Safe Routes to School program, recognizing our emphasis on healthy lifestyles and our drive to establish a strong school-community partnership to increase physical activity.

SIC and PTA volunteers serve the Oak Grove community with countless hours of service. These groups are instrumental in supporting the school in many areas, such as the purchase of our First In Math program, part of our LexLearns initiative. The PTA also organized fundraisers to finance the installation of a new digital sign.

We look forward to 2013-2014 and all its challenges and opportunities. We continue to prepare our students to be 21st century learners and leaders.

Principal Sherry P. Cariens and SIC Chair Tricia Miller

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>100.0</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

Oak Grove Elementary School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
