## Report of Principal and School Improvement Council

At B-C Grammar School No.1 we recognize students as individuals with unique intellectual, social, and physical abilities. We cultivate these abilities through rich and varied educational experiences. Our approach to teaching has become results-based and we have emphasized improving instruction through collaborative efforts during professional development, shared decision making, data team meetings, and common grade level planning time. Our school motto is "Learning Today, Knowing Tomorrow." We believe that what students learn today will prepare them for success tomorrow. We are very excited about our Response to Intervention Initiative that targets students in kindergarten, first and second grade. We have seen good results and look forward to greater results next year. Other intervention programs such as Read 120, ACTS (A Chance To Succeed) and Focus Groups will continue to play an integral role in the educational program at B-C Grammar School No.1. The overall success we experienced this year would not have been possible without the continued support of our faculty, staff, parents, SIC, PTA, and school community. B-C No. 1 is a magnet school for the OASIS Academy, a full-day academically accelerated program for selected students who qualify for state gifted and talented services. We have one class at each grade level, 3 - 5. Within the OASIS program, we offer an exciting array of enrichment activities for students. It strives to identify and develop each child's gifts and talents by creating opportunities for accelerated growth. This program challenges the most gifted students using existing resources. We have a part-time assistant principal, a full-time guidance counselor, a full-time nurse, and a school-based mental health counselor. We have seven teachers who are National Board certified. Our Teacher of the Year is Carin Sease. Our Staff Person of the Year is Kelly Allen. BC #1 looks forward to another exciting school year."

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
