Report of Principal and School Improvement Council

Oak Pointe Elementary School (OPES) is a thriving school community committed to promoting excellence while ensuring the academic, personal, physical, and social development of each child. Our school focuses on helping our students reach higher levels of proficiency in reading, mathematics, writing, science, and social studies and on ensuring that students have high quality experiences in the arts and in community service. The 2012-13 school year was another successful one as we received the Palmetto Gold Award for exemplary test scores, Gold for Closing the Achievement Gap, and an A overall rating from the State Department of Education.

OPES maintains high standards for academic achievement and character education with an emphasis on celebrating diversity through community-building, inclusion, and mainstreaming. A characteristic of OPES that sets us apart from other schools is our weekly Friday Morning Meetings where the whole school meets on our commons area to celebrate each other, highlight accomplishments, and set school-wide expectations.

Our students demonstrated their commitment to literacy by participating in the Reading with the Gamecocks and the Columbia Blowfish Reading programs. Our afterschool programs offer additional opportunities for our students to participate in extended learning: Lego Club, Lego Robotics Leagues, Girls on the Run, Run Hard, Golf and a student-led newsletter. We adopted numerous service projects so that our students could develop a stronger sense of community and the importance of helping others. OPES financially supported The March of Dimes, The American Cancer Society Relay for Life and United Way by holding fundraising and awareness events throughout the school year.

The South Carolina Department of Education recognized Oak Pointe for exceptional school-wide implementation of our Positive Behavior Interventions and Supports (PBIS) program. The school's expectations encouraged all students to "Be a P.A.L." by showing their Personal best, Acceptance, and Living responsibly. Celebrations of positive behaviors occurred throughout the school year with dances, a P.A.L. Picnic, Haystack Hangout, and Rockin' Lunch.

Our PTO collaborated with our district to improve our campus by providing a basketball court on the playground. The PTO provided funds for murals to be painted in the hallways to create a positive and inviting learning environment, and we held a monthly breakfast as part of our All Pro Dads' program. An Eagle Scout built a literacy garden for our students to have a place outside to read and write as well as plant vegetables to learn about science and make literary connections. Arts Day was highly successful again this year and was underwritten by the PTO. Artists were brought into the school to enhance the visual arts, music, drama, dance, and literacy.

We appreciate the support of the Board of Trustees, the District administration, and our community. They are to be commended for their contributions to support our students and the instructional program at Oak Pointe.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.2
Overall Grade Conversion	A
