## Report of Principal and School Improvement Council

A.C. Moore Elementary School is located in the heart of Columbia, just minutes away from the State House and the University of South Carolina (USC). We are an award-winning school with a diverse population. Students from 16 countries who speak 14 languages attend our school and receive support through the English Speakers of Other Languages Program (ESOL). We are an Arts in Basic Curriculum (ABC) site and a Green Steps School. We have two grants to support arts integration at A.C. Moore Elementary School: Arts in the Basic Curriculum and the Distinguished Arts Program Grant.

The staff, parents, and community have helped to provide an academic environment that is conducive to learning. The vision of A.C. Moore Elementary School, in collaboration with an engaged community, is committed to ensuring each learner achieves his/her potential in a safe, caring, creative, academically, and diverse learning environment that will develop citizens for a changing world.

Our pursuit in increasing student achievement was led by our 2012-2013 School Improvement Goals: to increase standardized test scores, improve health and safety, and reduce tardiness. The following strategies were implemented this year to assist in meeting our goals: partnership with the University of South Carolina to provide weekly tutors for our students, faculty buddy/mentoring program, first annual Math Night, working with a SC Department of Transportation engineer to provide a safer and more efficient carpool line, working towards Gold Level Status with the SC Safe Routes to school, initiating and becoming the first Buckle Buddies Partner School in South Carolina to improve awareness for seatbelt safety, notices and meetings with parents regarding tardiness, and initiating the first "Be on Time for School Day" in March. As a result of implementing the aforementioned strategies, we had marked student increases in MAP scores for second through fifth grades, improved safety for all our students at school, and an approximate 20% decrease in tardies for the 2012-2013 school year.

We are the only school in Richland School District One to hold the National Association for the Education of Young Children (NAEYC) Accreditation and strive to provide exemplary services to all our students at A.C. Moore Elementary School. Students continue to receive a number of before and afterschool programs and activities to include Afterschool Comprehensive Remediation Program, dance, art club, chorus, mosaics, Bobcat Morning News Program, safety patrol, and student council.

In the future, A.C. Moore Elementary School will continue to focus on increasing student achievement in all academic areas and increasing participation in the performing arts for all students. With continued support and participation from our staff, parents, and community, we can address these opportunities for improvement. This will help ensure that our students will become lifelong learners and responsible, productive members of society.

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	66.7
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

A. C. Moore Elementary school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
