Report of Principal and School Improvement Council

Lone Oak Elementary School is committed to student achievement and instilling pride in work, school, community and self. We embrace cultural diversity, recognize and respect individual differences of our school community. We have four goals designed to promote academic and personal growth for all members of our school community: 1) provide a safe, orderly and healthy school to create a positive learning environment; 2) achieve high levels of academic achievement for all students; 3) provide opportunities for parents and guardians to participate in the education of their children; and 4) partner with community and businesses to create a support and advocacy for our school. These goals are essential for continual growth and belong to all of us.

One of our primary academic initiatives this year was to establish a shared set of clear international educational standards for ELA and Math known as Common Core Standards. We are working extremely hard to ensure that our students are prepared to learn these new standards and to make the transition easy for both students and teachers. Students will work towards developing higher thinking and independent learning skills.

We continued to focus on increasing student achievement and engagement in reading, as well as increasing fluency to further develop literacy skills. Teachers increased the amount of time allocated each day for independent reading. Teachers at all grade levels differentiated instruction to teach reading and develop readers. Title I tutors worked closely with teachers to provide additional reading and math support for students. Students participating in the afterschool childcare and extended school year programs received further academic enrichment from certified teachers. We provided enhanced learning experiences for all students by integrating LEGO instructional technologies into our educational program. In recognition of student achievement on PASS, Lone Oak earned a "B" rating based on the ESEA federal accountability rating system and was designated as a Title I Reward School for Performance.

This year we continued in the Olweus Bullying Prevention Program, a research-based program shown to reduce bullying and make schools safe, happy places for students to learn and grow.

Students at Lone Oak addressed the needs of others in the learning community by participating in fundraising and collection activities. Student Council sponsored a canned food drive to benefit a local community organization. Beta Club sponsored a "Heavenly Hat Parade" to provide hats for cancer patients. Students also participated in Relay for Life, Jump Rope/Hoops for Heart and Mobile Meals fundraising initiatives.

Our outstanding faculty and staff, students, parents and district administration have worked very hard to establish and maintain a positive learning environment that supports, encourages and celebrates student achievement at Lone Oak Elementary School. By working together, we will continue to "Roar with Success and Pride!"

Mr. Keith D. Burton, Principal
Mrs. Samantha Guy, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
