## Report of Principal and School Improvement Council

East Point Academy (EPA) is a public charter school completing our second year and serving grades Pre-K through Grade 3. EPA is South Carolina's only school-wide, Chinese language immersion school. Students learn to speak, write and understand Chinese through language immersion classes in math, science and Mandarin Language Arts. In addition, students learn Mandarin and Chinese culture during related arts classes. Differentiation and a personal school experience serve as the basis for the instructional program which incorporates elements of Montessori, character development, community service, inquiry learning and ecology. The PTO and School Improvement Council are actively sponsoring many school activities. The school has a daily after school program which includes homework assistance and choices in martial arts, gymnastics, music, beginner dance and Lego League. MAP scores for all grades and subject areas were well above national norms. The average re-enrollment rate for our first two years is above 96% with an enrollment growth rate of 89% growth above the current year. For 2013-14 we are excited to open a new facility for grades 1-4 as we add Pre-K 3 to the Primary facility and expand our Gifted and Talented program. We are preparing bright children for brighter futures.

Renee Mathews, Director/Founding Principal  
Catie Martin, School Improvement Council President

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>100.0</b>
<b>Overall Grade Conversion</b>	<b>A</b>

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations
