REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Aiken Elementary is a student-centered, high-achieving, award winning school serving over 800 students from pre-school to fifth grade; and including a pre-school special education classroom and an autism academy. Our school has an outstanding staff dedicated to helping all students grow and succeed. We have enjoyed continued support from our parents and the community. Our PTA Board and School Improvement Council are instrumental in our planning and improvement process. Our awards are numerous: National Blue Ribbon School of Excellence, Palmettos' Finest, South Carolina Dept. of Education Red Carpet School, and the many Palmetto Gold and Silver Awards (nine in all), including a Gold and Silver Award for the 2012-2013 school year. Sustained high student achievement, based upon providing a rigorous standards-based curriculum, is a trademark of our school. The teachers and staff at Aiken Elementary work collaboratively to ensure consistency of learning across and within grade levels and content areas. We believe service learning and service to our community are important aspects of our offerings to students. These are vehicles for our students to learn good citizenship and compassion for others. In addition, we have a school-wide bully prevention program that includes students, faculty and staff, parents and community members. Our bully prevention program educates all stakeholders by providing a common understanding of what bullying is and all of the types of bullying behavior, how to prevent it, and how to respond when it occurs. We have weekly classroom discussions about bullying and other issues or concerns that our students may wish to address. We include all school personnel and parents in our efforts to make Aiken Elementary a safe and joyous place to work and play. Innovative learning experiences are a part of every day. Increasing the amount and effectiveness of technology for our students and staff is a focus for us. Aiken Elementary is a wireless building with multiple computer labs, iPads, iPods, and interactive white boards in every classroom. The technology plan has several long term goals and we are well on our way to providing cutting edge technology to every students and staff member every day. Aiken Elementary is a school of excellence. Aiken Elementary is a community school. Aiken Elementary is a school to be proud of. We are the Explorers and we seek knowledge and understanding. We are life- long learners and we enjoy every day spent at Aiken Elementary exploring and learning together.
