Number of surveys returned	21	32	29
Percent satisfied with learning environment	81%	87.6%	96.6%
Percent satisfied with social and physical environment	90.9%	75.1%	93.1%
Percent satisfied with school-home relations	90.9%	81.9%	89.6%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Port Royal Elementary School's community is made up of families with diverse backgrounds and a wide range of incomes that supports our strong military connections. The current spring 2013 population is 288 students, from Pre-Kindergarten through grade 5, with 62% qualifying for federally subsidized meals. Caucasian students comprise 56% of the student population, with 29% of African American ancestry, 11% Latino, and approximately 4% listed as multiracial/other. Port Royal Elementary School earned the status of Title I for the 2012-2013 school year due to our 10% increase in the number of students that receive free and reduced priced meals. We received additional federal funds with which we used to provide additional tutors in critical literacy and math areas, to supplement curriculum resources, and to support all of our students.

Our faculty is becoming more proficient at meeting each student's needs, as we continue implementing a school-wide Response to Intervention (RTI) model, which has increased responsiveness and the use of more targeted classroom interventions. We have successfully completed our 2nd year of TAP implementation, and increasing our teacher and student effectiveness next year will be our focus, because as we know, teacher quality has the greatest impact of any variable in improving student achievement.

During this school year, we have increased our focus on the implementation of healthy habits and physical activity. We provide each student an additional thirty minutes of physical activity every morning before school. Students that arrive early can participate in morning yoga, aerobics, walking, or sports activities. This additional activity helps us support the US Healthier Schools Silver Award that we received at the start of the 2012 school year. We have also enacted afterschool clubs that help students foster and develop an appreciation and of the love of the talents and experiences they are exposed to within the regular school day. Students can participate in fitness clubs, science clubs, or art clubs. Additional clubs and programs are planned to begin with the 2013-2014 school year.

Brian Herrmann and Rebecca Polk, School Improvement Council Co-Chairs
Chavon Browne, Principal
