REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We are very proud of the academic growth of our students this school year. Lambs Elementary continues to implement the Lambs Traits, an integral component of our PBIS plan, throughout the curriculum. Students are recognized frequently and consistently for positive behavior. Some of these recognitions include incentive drawings, quarterly celebrations, and shopping the Lambs Loot store.

In 2012, our prime instructional time increased from 91.8% to 93.5%. All of our classes are taught by highly qualified teachers. Teachers continue to meet weekly to discuss instructional strategies and monitor student progress.

The faculty, staff, and administration are dedicated to the full implementation of Vision 2016. Professional development activities are planned that will provide teachers with skills to effectively implement the Common Core State Standards.

Lambs Elementary is a school supported by Title I funding with more than 85% of the students at or below the poverty level.

In 2012, the student attendance rate increased from 94.8% to 95.7%. The teacher attendance rate increased from 97% to 98%.

The number of volunteers and mentors working with Lambs continues to increase. We continued our quarterly Parent Breakfast program during the 2012-2013 school year.

The promotion of wellness and healthy lifestyles has continued at Lambs Elementary. This school year, we received the Cooper River Bridge Run grant which enabled students, parents, and staff to receive physical training and participate in the annual Cooper River Bridge Run.

As we embark upon the 2013-2014 school year, we look forward to many exciting and challenging learning opportunities for all students!
