REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The faculty, students, and staff of St. James-Santee Elementary School have continued our march toward excellence in all areas of school culture, from academics to extracurricular activities, to community partnerships. Despite our academic growth and successes, St. James-Santee Elementary students, parents, teachers, and administration still maintain a pursuit of excellence in all areas of education.

St. James-Santee Elementary School is a rural school on the northern boundary of Charleston County. We are located in beautiful McClellanville, South Carolina, and we are surrounded by the Francis Marion National Forrest. Our school is known for its high quality teachers, small class sizes, and ability to individualize learning to make our educational experience more personal for each student.

St. James-Santee Elementary School focuses on maintaining a professional, collaborative culture with a family-type atmosphere, and making data-based decisions to improve student achievement. Our commitment to the needs of individual students has allowed our faculty to make informed decisions regarding student learning. We successfully implemented the Read Well curriculum in our kindergarten, first and second grade classrooms as well as the guided reading model in our other grade levels. We implemented RIT Band classes for all students in third through sixth grade to improve academic achievement in mathematics. Our 21st Century afterschool program provided an additional intervention for students needing assistance in mathematics and reading.

Our school is in its third year of using the PBIS model. Our students are prepared to be Friendly, Impressive, and Trustworthy (FIT). Students also have the opportunity to participate in FIT activities every day during school, along with scheduled, incentive-based events and rewards on a weekly and monthly basis.

We are more than confident that our student-centered and data-driven approach to student learning yielded strong results as indicated by this year's MAP testing. We expect to see continued academic growth based on current results from our projections. Our school has always been committed to the students, families, and the community we serve. With growing, active parent organizations, we hope that all of our stakeholders will continue to be involved in the lives of our students as they reach for new heights in the coming years. The expectation at St. James-Santee Elementary School is to become a model school for academic achievement as well as parental involvement in the next few years.

Joe Sampson III, Principal
Roundtree, SIC Chair
