REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Main Street Elementary Panthers strive to educate children, develop strong home/school relationships, and maintain partnerships with the community. We have made great progress academically as measured by our value-added scores. Main Street Elementary was the proud receiver of a value-added score of 5 for the third consecutive year. A five is the highest score in reaching expected student growth. This is set by the National Institute for Excellence in Teaching. In addition, by providing our students with standards-based curriculum, we are creating a learning environment where students are challenged and encouraged to set and meet their individual and school-wide goals. Our motto and school-wide theme, "MSE Panther PRIDE...Promoting Respect, Intelligence, Discipline, and Excellence motivates us to meet and or go beyond state requirements.

As a part of our school planning process, we will continue to review our test scores and make good decisions for groups of students as well as focus on the test scores of individual students. We will also continue to use MAP (Measures of Academic Progress) data to accommodate the instruction for all students. The use of this data has helped us to make instructional changes to meet the needs of our students. We are truly dedicated to "Gaining and Sustaining Results" by focusing on results, learning, and working together as a team.

Main Street Elementary is also proud of the technology available to our students. The students and teachers in grades 2nd-5th use iPads/Pods, Smartboard/ Promethean Board lessons, eBooks, mobile computer labs, and interactive software and games to improve academic skills. Main Street Elementary would like to express our thanks to the wonderful families and to the school community for your continued support throughout this school year as we continue to strive for excellence!
