Percent satisfied with social and physical environment	100%	95.6%	91.9%
Percent satisfied with school-home relations	100%	87.8%	91.8%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Meadow Glen Elementary School, "Home of the Explorers," completed its second year in 2012-2013. We ended our first year with an enrollment of 589 students. We ended our second year with an enrollment of 777 students, an increase of 189 students in 3- and 4-year-old preschool through fifth grade. Our challenge over the next school year will be to keep up with the rapidly growing student population while maintaining the feeling of a community school and balanced student/teacher ratios. While we do not have several years of comparative test data, our scores indicate there continues to be an achievement gap in certain subgroups of students. Our data also shows that we need to focus on science and writing in all grades, kindergarten through fifth grade.

We now have our Chinese (Mandarin) Partial-Immersion Program in kindergarten and first grade. We piloted a Vertical Grade Level this year that gave students an opportunity to work in a multi-aged reading class based on how they progressed through the Common Core State Standards in their learning. Fifteen of our fifth-graders moved on to use online blended learning to meet their higher level reading needs.

MGES received the state's Palmetto Gold Award in recognition of our students' academic success our first year. Our cafeteria received a Bronze Level Incentive Award from the HealthierUS School Challenge. Lori Russell, first grade teacher and Meadow Glen's first Teacher of the Year, won first place in the national 2012 Teacher Innovator Award presented by ETV and PBS Learning Media.

Student representatives from all grades served on a Principal-Student Leadership Team, Recycling Team, News and Media Team, Safety Patrol Team, School Greeter Team and as Yearbook Staff. Students and staff participated in several service-learning projects this year. They raised and donated money to Sandy Hook Elementary in Newtown, Connecticut, to the Red Cross for Hurricane Sandy and Oklahoma Tornado victims, and to Relay For Life.

Teachers participated in many professional development opportunities throughout the year. Topics included Data Analysis, Creating Teacher Leaders, Common Core State Standards, Gradual Release of Responsibility, Basic First Aid for the Classroom and Playground, Autism and Occupational Therapy Techniques for the Classroom, Student Data Notebooks, Personalized Learning and monthly Technology Workshops.

The MGES School Improvement Council invited several guest speakers to present information to the council. Topics included Performance Pay and Legislative Updates, Traffic in and around MGES and Lexington, and District and School Safety. The Parent and Teacher Organization of Meadow Glen supported the First In Math computer program, professional development opportunities for teachers, grade-level field studies and the second-grade Writer Program.

Our motto, "Growing What We Know by Motivating minds, Growing leaders, Exploring as thinkers and Serving others," is practiced every day at Meadow Glen Elementary.

Principal Cheryl Fralick and SIC Chair Suzanne English
