Percent satisfied with school-home relations	60%	83.6%	87.8%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the school year 2012-2013, continuous growth and improvement were evident at Hyatt Park Elementary School.

School wide literacy initiatives were implemented to increase the number of students reading at or above grade level. Outstanding growth was noted in grades kindergarten – second in the areas of reading, language, and literacy development. Our instructional program continued to be enhanced by teams of interventionists who provided assistance and support in the areas of reading and mathematics.

Reading interventionists and Midlands Reading Consortium partners collaborated to increase reading levels of selected first and second graders. Initiatives were implemented to increase student achievement in mathematics using the Title One lap top lending program and math interventionists. Small group instruction was provided to support students in various content areas. A comprehensive after-school program and Cougar Academy were instrumental in assisting students in meeting academic goals and standards.

More than 259 students received recognition for academic achievement and citizenship during the school year. In addition, students recognized as Shining Stars were rewarded for their hard work in academics, attendance and behavior. Hyatt Park continued to implement a school wide Fresh Fruit and Vegetable Grant which provided students, parents and staff healthy fruits and vegetables throughout the year. Our Fit Cougar Program was named the 2013 Gold Level All-Health Team winner and recognized for outstanding accomplishments in the areas of fitness and wellness.

Parents were able to engage and become involved through parent –conferences, Student Intervention Team meetings, PTO meetings, as well as family and academic night activities. The Parent Child –Home initiative provided monthly home visits /literacy sessions for preschool –aged students. The Books and Breakfast/Supper Program provided monthly breakfast sessions designed to promote literacy and foster home-school relationships. Evening classes were offered to provide technology training and GED preparation for our parents.

It is our goal to continue efforts to increase student achievement through data- driven practices and by remaining focused on student learning and results. We will continue our mission to increase student achievement by fostering positive relationships and collaboration among our staff, students, parents and community.

James Brown, SIC Chairperson ☐ Elizabeth R. Eason, Principal
