Percent satisfied with school-home relations	85.1%	80%	85.7%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Webber Elementary continues in the role of one of the finest schools in Richland School District One.

Again, our students progressed academically by earning both a Gold and a Silver Palmetto Award for student achievement. Our Silver award was for the school's Absolute Report Card Rating and the Gold Award was in recognition of the school moving from a Good to an Excellent Report Card Rating in Academic Growth on our 2011-2012 School Report Card. Additionally, as a Title One school, our students ranked #3 in student progress in the district, continuing to rank in the top ten during the past few years.

Our school promoted the process learning of the Science Fair by involving the entire school in the projects this year. As a result of this five year practice, our Science Fair entries won first place in the district and placed in the top 3 in the regional competition. We also have an increasing number of students being selected for the MEGSSS program and again numerous students selected for the Duke TIP program of high achieving students. Not surprisingly, our students continue to live up to our high expectations for each of them.

The parents, PTA, SIC, and our business partnerships continues to be a source of unwavering support for the school. International Paper, Inc. was selected by the State Department of Education as the state's Business Partner of the Year for Webber Elementary School and recognized for their commitment to this community school on June 12, 2013, after just being named the District's Business Partner of the year in 2012. On behalf of our faculty, staff and students, we are indebted to them for their long lasting service and support.

At Webber Elementary School our students are taught that there is good in giving to others in need. Our United Way campaign earned our school recognition as the highest per-capita contributors of the Elementary Schools in Richland One (3rd year of exceeding our goal and being the top contributors). Additionally, our students showed their capacity to give in the March of Dimes campaign by exceeding all other Elementary Schools in the district as well.

There is no greater joy a principal can experience than that of seeing the smiling faces of young children being taught that they are indeed capable of success and are in the midst of realizing they are on their way to becoming the productive citizens that we see in each and every one of them. It remains our vision and mission.

Come, join us in our journey.

Dorothy Ham, Principal
Yvonne Hall, SIC Chair
