REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Watkins-Nance Elementary continued to make great progress during the 2012-13 year. Emphasis was placed on core subjects such as English/Language Arts (ELA) and math. Learning in these areas was supported by ongoing efforts with programs such as Leveled Literacy Intervention (Fountas and Pinnell), Accelerated Reader, and use of SuccessMaker computer labs as well as interventions for students who needed assistance in math. Students were able to use educational software even after they left school via our "SuccessMaker at Home" laptop checkout program.

Our school has continued to provide special activities, such as extended school day programs, to ensure student success. These included our Saturday Academy, Early Bird, and after school programs. Retired teachers tutored students who needed more academic assistance. Lunch Buddies and mentors from Fort Jackson's DPTMS office, St. John Baptist Church, and Omega Psi Phi Fraternity motivated students to achieve success. Volunteers from the Eau Claire Ministerial Alliance, St. James AME Church, AT&T, and Heartworks also provided much-needed support.

Our staff development activities focused on improving student performance on the Palmetto Assessment of State Standards (PASS), student motivation, character education, and teachers' accurate assessment of student achievement; providing appropriate instruction based on state standards and benchmark results; and designing weekly tests to measure specific skills required to do well on state tests. Effective grade-level planning was conducted along with weekly grade-level and district benchmark and MAP tests to strengthen student test-taking skills.

Students were recognized for academic achievement at biyearly award ceremonies. Our Honor Student program, Student Association activities, Career Fair, and Science Fair enhanced students' academic and character growth.

Watkins-Nance employed many parent/community outreach programs. These included "Books and Breakfast" and "Books and Bites" parent workshops, parent-teacher conference incentives, and parent-student academic sessions. Our KinderAcademy after school program provided learning opportunities for prekindergarten and kindergarten students.

In spite of our successes, we still have some barriers that inhibit progress. These include having about 50 percent of our students enter school without preschool experience, limited parent participation, and limited reinforcement of academic skills at home. However, we are gaining in these areas and are proud of our progress.

The school received a Palmetto Silver Award for the fourth consecutive year for students' performance on the PASS. We also met some of the goals we set in our School Improvement Plan such as increasing the number of students promoted to the next grade. However, we know that we can do more. Next year promises to be even better!

Dr. Evelyn Cohens, Principal
