Percent satisfied with school-home relations	88.9%	N/A	85.5%

\*Only students at the highest elementary school grade level at this school and their parents were included.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2012 – 2013 school year has marked another year of excellency at Alice Drive Elementary. Our focus on the whole child provided the year with much improvement in academics as well as enhancement of the arts. We are a data driven school, using a wide of variety of student assessments and performance data to meet the individual needs of our students. We continue to strive to make our school the best it can possibly be. We have a school that is warm and inviting, and dedicated to providing a positive learning community for our students.

We had an emphasis on math this year with year-long staff development on this subject. We targeted the improvement of our students' math skills through the use of hands on manipulatives and intensive small group instruction. Our school-wide in-school tutoring program, which utilizes the ProTeam Students from Alice Drive Middle School to provide extra assistance in reading and math, continues to expand and serves over 30 students. Our School Improvement Council has been instrumental in establishing our in-school tutoring program as well as raising funds for classroom resources and supporting teacher needs in the classroom.

Our annual Family Science Night was a great success with over 300 students and parents enjoying an evening of food and fun with science. Our annual Spring Fling, and other special events, provides parents with opportunities to come and enjoy evenings and other times with their children.

We have 100% highly qualified staff. Our teachers work diligently with to improve student achievement. Our teachers participate in professional development activities, graduate classes, and workshops to improve their knowledge of effective instructional strategies and expand their repertoire of activities for their classroom. Incorporation of programs such as READ 180, Study Island, and math manipulates, technology, as well as strategies for learning has provided all students a chance to learn and grow.

We have continued our commitment to our community by providing ways for our students to contribute to local efforts. We participated in the Salvation Army canned food drive, The Angel Tree toy drive, Shower Shaw with Cookies, Greenhouse Shelter blanket drive, St. Jude's Hospital Mathathon and several school-wide recycling projects. ADE diligently has pursued its mission to provide a positive school environment and provide developmentally appropriate learning experiences for all our students. We strive to make ADE a place where everyone feels welcome and where everyone can become a part of our community.

Sheree T. Boozer, Principal □ Natalie Roberts, SIC Chair
