REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

South Carolina Connections Academy (SCCA) is an AdvancED accredited, pioneering, public virtual charter school that opened during the 2008-2009 school year as a member of the SC Public Charter School District. SCCA offers a premier online education to students in grades K-12 regardless of where they reside in the state. Our curriculum is aligned to common core standards and meets national and state standards while simultaneously meeting the personal needs of all of our students. Students progress through the program under the guidance of their Learning Coach (typically a parent or guardian) in conjunction with their highly qualified SC certified teachers. Regular interaction occurs via phone, e-mail, Field Trips, and live web conferences. Student work is then submitted online for teacher review. Our user friendly Education Management System (EMS) includes: coursework, a daily planner, a grade book, attendance recorder, communication tools, a virtual library, message boards, and supplemental learning programs. The EMS provides all the necessary information, at your fingertips, to successfully learn anywhere there is an internet connection. This unique system sets us apart from all other virtual charter schools.

SCCA offers advanced curriculum to Gifted and Talented students in grades 3 through 8 Science, Math, and Language Arts. These students participate in a Literature Study course using the Junior Great Books series. Teachers in our Special Education Department serve students according to Individualized Education Plans or 504 plans. Students requiring speech services participate in Virtual Speech sessions. Occupational Therapy, Physical Therapy, and Speech Services are also provided through contracted, certified providers.

Our high school program includes approximately 1,161 students across the state. The selection of courses we offer is varied and challenging. Students are able to study Foreign Languages such as Mandarin Chinese, Latin, French, and Spanish. We also offer 20 Advanced Placement courses and a variety of college preparatory electives. Our graduation requirements are more rigorous than the state mandates. SCCA requires all students to successfully complete two years of foreign languages or humanities. In addition, a full year of health and a full year of American Government are required.

In an effort to create a sense of community, various Field Trips and teacher created face-to-face learning experiences were planned statewide. These opportunities allowed students, parents, and teachers to interact and socialize. Over 100 opportunities were held during the 2012-2013 school year including museum, zoo and aquarium tours; environmental awareness activities; an arts festival featuring student work; academic hands on activities; a Field Day, and Graduation.
