2011	Average	Below Average
2010	Average	Below Average
2009	Average	Excellent

DEFINITIONS OF SCHOOL RATING TERMS

- Excellent – School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good – School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average – School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average – School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk – School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Report of Principal and School Improvement Council

The 2012 - 2013 school year was another successful year at Manning High School. There were 29 honor graduates in the class of 2013, which equates to 17% of our graduating seniors earning at least a 3.62 cumulative average during their high school career. Thirty eight percent (38%) of the senior class, a total of 66 students, qualified for either Hope or Life Scholarships, which will provide \$2800 - \$5000 per year towards tuition at any in-state institution, provided students are able to maintain a 3.0 grade point average. Students in the class of 2013 earned over \$4,025,579.00 in scholarships to post-secondary institutions.

Manning High School is enthusiastic about our students' enrollment in the College Credit Program through Central Carolina Technical College. We've continuously increased the number of students enrolled in Dual Credit Courses each year, with many students graduating from Manning High School with more than 12 hours of college credit. The credits that they earn will transfer to any public or private college in the state of South Carolina and to many colleges outside of the state. Dual credit courses are offered at no cost to the students.

Manning High School continues to utilize the APEX Learning System to assist student who struggle academically. Credit Recovery and Summer School students make use of this software in order to facilitate learning in areas where they are found to have deficiencies. By using this software in our enrichment programs, we hope to increase our graduation rate and lower failure rates.

Manning High School is committed to improving teaching and learning by incorporating the use of technology in our classrooms and lessons. All of our classrooms are outfitted with SMARTboards and Promethean ActivBoards which are designed to increase student engagement and promote critical thinking.

The 21st Century has already presented an array of challenges for our local community, state, and nation. Our society recognizes that education is key to creating a skilled work force, which is essential to our future prosperity. With this in mind, the faculty and staff at Manning High school are continuously involved professional development activities that will improve instruction and help create learning experiences that will produce positively contributing members of our local community.

Neshunda Walters, Principal
Ms. Sherial Pearson, SIC Chairperson

Evaluations by Teachers, Students and Parents

	Teachers	Students*	Parents*
Number of surveys returned	27	194	103
Percent satisfied with learning environment	62.9%	67%	76.7%
Percent satisfied with social and physical environment	89.2%	69.2%	72.6%
Percent satisfied with school-home relations	50%	89%	77.4%

* Only eleventh grade students and their parents were included. For schools without grade eleven, only the highest grade was included.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	59.8
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Manning High School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
