Report of Principal and School Improvement Council

Colleton County High School is proud of the academic accomplishments of all of our students during the 2012-2013 year. The Class of 2013 graduated 312 students with 289 receiving State High School Diplomas and 21 receiving State Certificates. Special Education included 8 Employability Diplomas and 5 Certificates of Attendance. We have 6 students who qualify as Palmetto Fellows, 81 Life Scholarships, and 40 who qualify for the HOPE scholarship. The total scholarships amounted to \$3,117,566.

In extracurricular activities, CCHS Academic Team placed first in the USC Salkehatchie Bowl in the S. C. State Champion High School Division, fall 2012 and spring 2013, and placed first in the S.C. Knowledge Master Open. CCHS Student Council was named the best council in the state this past year and will be hosting the state conference in 2014. Hannah Houck was also elected state student council president. This year, NJROTC Unit welcomes Commander, LCDR August Thornton. After 17 years of active duty, serving onboard several combatant ships and three admirals' staffs, teaching strike warfare at the Naval War College, and authoring the study, "The Battleship in the Caribbean", he retired from the Navy in 1995 and pursued a teaching career.

Cougar athletic teams proved competitive this year with the girls' basketball and girls' soccer teams making the regional playoffs. One student made the Wrestling Regionals. We had 2 girls qualifying for the state track meet in the 400 meter relay. They finished 6th and 7th place in the state. Boys' track team finished 4th place in state in the 4 X 400 meter relay.

Focusing on the arts, students in the CCHS Chorus Department continues to provide outstanding entertainment during their annual Christmas concert, "Spirit of the Season" and spring concert, "Should've Been A Cowboy". Four students participated in ALL State, and one student auditioned making S.C. Governor's School. The CCHS Drama Department performed "Just Another High School Play" by Bryan Starchman. The Band of Blue continued its tradition of excellence winning the Grand Championship at the Edisto Blue Machine Invitational, and once again was a finalist at the 2012 SCBDA State Marching Band Championships. The Band of Blue traveled to New Orleans representing South Carolina in the Endymion Mardi Gras Parade. The CCHS Varsity Winter Guard won the SCBDA Winter Ensemble State Championship in Class 4A. The Concert & Symphonic Bands earned Excellent Ratings at State Concert Festival, and sixteen band students were named to the 2013 SCBDA Region Honors Band.

The high school remained active in the community by National Honor Society hosting the American Red Cross Blood Drives, Pennies for Patients, the March of Dimes campaign with \$2390, and American Red Cross with \$1596. NHS and SGA participated in Relay For Life by raising \$5200 to support cancer research. NJROTC was active in the Adopt-A-Highway program.

We continue to focus our efforts on providing a quality education for all our students. Our goal is to provide every student the support and resources needed to be successful. We would like to thank our teachers, parents, and students who helped make the many successes of this year possible with their commitment to the cause of education in Colleton County. These initiatives and success stories are testimony to our commitment to motivate students to accomplish the common goal of graduating from an academically rigorous and challenging high school composed of caring, competent, and committed educators.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
