REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ridge Spring-Monetta Community:

The 2012-13 school year was a transition year for Ridge Spring-Monetta High School. This year the District implemented the Common Core State Standards for all English and Math classes. These standards, and the resulting course design, require the students to read informational text, to write with clarity, and to exercise critical thinking skills. In turn, the students are reading, writing and speaking more than ever before; all skills they will need to "become lifelong learners and productive members of the community."

In our extracurricular activities, we have had a successful year. All of our sports teams have advanced to the playoffs in their regions. We competed successfully in poetry, band, drama, health science and virtual enterprise. And our Beta Club and Student Council were both active in the community and orchestrated numerous special events for the school, such as Spirit Week and Black History Month.

In the 2013-14 school year, it is our intent to continue having the students improve their reading comprehension, writing clarity and critical thinking skills. As we do this, we will strive to remain "connected to the community by all means available." Our goal continues to be the center of this community.

Warren Wintrode, Principal
Felicia Key, SIC Chairman
