Percent satisfied with social and physical environment	N/A	65.4%	77.6%
Percent satisfied with school-home relations	N/A	72.1%	83%

*Only eleventh grade students and their parents were included. For schools without grade eleven, only the highest grade was included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our efforts at Garrett Academy of Technology remain focused on success for all students. As a comprehensive Career and Technology high school, we are devoted to rigorous and relevant instruction in both academic and technical courses of study. Our students have opportunities to select Applied, College Prep, Honors, or AP classes, as well as choosing one of fourteen Career and Technology majors. Individual Graduation Plans are developed for all students in alignment to their career pathways. Typically, over 70 percent of students go on to two-or four-year colleges.

Garrett Academy provides many relevant work experiences for all students through participation in School-to-Careers shadowing and co-op placements, providing hands-on work experiences in their chosen fields. Students can gain professional development through student organizations, such as Student Council, Student Activities Board, National Honor Society, National Technical Honor Society, Mayor's Youth Leadership Commission, and Youth Court. Many compete at the regional, state, and national level through membership in SkillsUSA, DECA, HOSA, FCCLA, and ProStart.

Academic assistance programs are available to provide extra help for students who are unprepared for the rigor of high school. Students scoring Not Met on PASS and Below Basic on HSAP are scheduled into Essentials of Math and Reading classes to provide extra support in basic skills. Students can receive individual academic assistance in core academic subjects through the daily Falcon Academic Success Time Lab. The Credit Recovery program allows students with failing grades to make up failed units of study and earn their required credits. Active parent involvement is the essential element in reinforcing expectations for appropriate behavior. A Progressive Discipline Policy is in place to deal with discipline issues in a firm, fair, and consistent manner. Guidance counselors and Student Concern Specialists are available to help students resolve conflicts constructively and to plan special programs that appeal to the needs of teenagers.

Garrett Academy has strong business and industry support through business partners' participation in school activities. The school participates in the High-Schools-That-Work network, a school-improvement model focusing on data analysis of student performance and evaluation of instructional practices. The School Improvement Council involves representatives from all stakeholders in ongoing efforts to revise school programs and increase student achievement. We are proud that Garrett Academy has been recognized as a National Title I Distinguished School and has repeatedly earned Palmetto Gold for our students' performance and continuous efforts to improve.
