REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Cheraw High School continues to work constantly to be the best high school in the state and make continuous improvements to assist all students in reaching their career and life goals. We are proud of our efforts and our accomplishments as we work towards the future. Our school continues to excel in all areas of student life. Our students won the Chesterfield County School District Academic Bowl championship. Seven graduates qualified for Palmetto Fellows and 55 graduates qualified for a Life Scholarship. Our band and athletic teams continue to perform at a high level and compete at many state competitions. Two graduates received athletic scholarships. Our senior class received numerous scholarship offers and had 56 career and technology completers. These students have finished specialized coursework in the many different career clusters. Our Building Construction class worked with other community groups to assist in the building of a new home for a deserving family. Our Megatronics students competed at the South Carolina SkillsUSA Leadership Conference. These students were a part of three different teams and finished 2nd, 3rd, and 5th in the state competition. We had five division winners at the State Agriscience Fair, and we had four different teams compete at the National Agriscience Fair. All four finished in the top ten with one 2nd place finish. Our Marine JROTC represented us throughout the community and exemplified the highest standards of excellence in numerous activities. Our School Improvement Council worked with the community and the school to improve our Academic Awards Ceremony. This event provided an opportunity for our students to be recognized and honored for their many achievements. Our Parent Teacher Organization raised money for a variety of projects to improve school climate, recognize teachers, and honor students. Each year presents its share of opportunities, challenges, and achievements. As we work with all stakeholders, we will continue to improve, get stronger, and take the lead in preparing all of our students for college, career, and life.
