REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

What a great year for Summerville High School! We rated EXCELLENT/EXCELLENT on the state report card and received a PALMETTO GOLD rating from the State Department of Education. We are certainly celebrating our successes, but we remain focused on making our students the best they can be before we send them to college or into the career of their choice. Our goal is to equip the leaders of tomorrow with the knowledge, skills, attitudes, and habits they need to help our country maintain its reputation as the land of opportunity and prosperity. The leaders in our school, empowered by enormous support from Dorchester District Two and the Summerville community, proactively seek new and additional ways to provide our students with opportunities and inspiration for success. We promote a strong athletic and fine arts program to motivate students to be involved in their school. We offer a wide variety of academic courses and programs to give every student something to fit his or her needs and dreams. However, we are never satisfied with what we have done. Every year we search for new ways to reach students and prepare them to be successful. Plans are currently underway to implement new programs next year to include an Accelerate Engineering Cohort, a STEM Engineering Academy, Early College, and Middle College. We intend to be EXCELLENT and GOLDEN for a long time!

Despite the challenges of our modern society and financial hardships that come with an unstable financial climate, Summerville High School remains dedicated to doing what we do best: educating the children of Summerville. May we long have reason to be triumphant and proud. Kenny Farrell, Principal; Kelly Walker, SIC Chairperson
