REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

“Success is the only option” has been the driving force at Mullins High school for the 2012-2013 school year. We celebrated successes in many areas.

Academically we saw our EOC scores increase especially in algebra I and biology. We provided our students a lot of opportunities to be successful on HSAP. We held HSAP parent night and an HSAP rally for our students. Study sessions for students were held during the day, before school and after school.

We focused our efforts on individual students being successful by putting in a system to provide tiers of intervention. Our main objective was to increase our graduation rate. Our early data indicates there will be significant gains in this area. The class of 2013 had over 10 students earning at least 18 college credits through our Dual Credit Program. This class has also produced over 30 students eligible for Life scholarships and 2 Palmetto Fellow recipients. Our students were also successful on increasing ACT and SAT scores earning the school the Magna Cum Laude award.

Mullins High School's motto “the strength of the Indian is in the tribe” is evident through the success of our PBIS initiative. Students are recognized for demonstrating “Pride in the Tribe”. This effort has greatly improved our school climate.

Our Auctioneers are showing great success in our extra-curricular activities as well. We established a Leo club and the National Honor Society this year. Our girls' basketball team won the region championship for the second consecutive year. Our girls' basketball coach was selected to coach at the North-South All-Star game. Two students from the class of 2013 have signed to play at the college level.

The students, staff, parents and community of Mullins High School has become a family or One Tribe. Our stakeholders agree that for Mullins High School “success is the only option”. Go AUCS!
