Pickens High School, fostering an environment of excellence, relies on the combined efforts of our faculty, staff, students, parents, School Improvement Council (SIC), and the community to provide a quality education for our students. Working to be a data driven school, Pickens High continuously focuses on improving student achievement.

The class of 2013 consisted of 292 graduates, 70 of whom were recognized as Honor Graduates. Ten graduates qualified for the prestigious Palmetto Fellows Scholarship, and 168 qualified for Life Scholarships. The class of 2013 was awarded and accepted over \$5.8 million in scholarships.

Pickens High School is a High Schools That Work (HSTW) site. Our teachers incorporate HSTW research-proven strategies into their instruction in order to provide students with comprehensive, rigorous, and relevant educational opportunities. Appropriate expectations of students and effective implementation of curriculum are guided by the HSTW 10 Key Practices.

Pickens High School continues to value academics. Professional development focuses on instruction and technology that engages students and prepares them to meet SC Curriculum Standards at the highest levels. In addition, literacy strategies were a focus of professional development leading toward implementation of common core standards for all content areas.

Teachers at Pickens High School continue to increase the academic rigor in their respective courses. Wanting to offer a greater variety of rigorous courses, PHS encourages students to participate in a comprehensive AP program. The addition of AP Grammar and Composition and AP Human Geography strengthened the offerings of the AP program at PHS.

150 Blue Flame Drive feels more like home after our second year in the new school. Grateful to our teachers, staff, and administration for their continued commitment to excellence, the new facilities and available technology are utilized to provide an education that will truly prepare students for life and work in the 21st Century.
