REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

W. J. Keenan High School has experienced a productive and exciting school year! Our goals for the 2013-2014 school year will be to continue to increase student achievement. We will focus on continuing to make gains on all standardized tests such as HSAP, SAT, ACT, and EOCEP. Additionally, we will focus on improving the graduation rate, attendance rate, and retention rates at each grade level. Our theme will remain; "Together We Can, Together We Will!" With the commitment of the faculty, staff, students, parents, and community we will work toward constant improvement in all areas. We are working together supporting a vision that "Every Student Will Succeed!"

Keenan continues to pursue and establish community and post-secondary partnerships that will assist our students. Ten Keenan High School students with a taste for adventure and an interest in engineering have been invited to participate in Accelerate, a new virtual engineering program designed to help high school students jumpstart their engineering degrees and careers. Richland One is one of eight school districts in the state selected to partner with the prestigious South Carolina Governor's School for Science and Mathematics (SC GSSM), which is located in Hartsville. Students will remain at their home high schools while participating in virtual classes, Saturday team projects and summer internships.

W. J. Keenan is a High Schools That Work (HSTW) site. All teachers are trained in the utilization of "best practices" to increase the academic success of each student. Areas of focus include literacy, development of senior projects, data driven decisions, career and technical training. During 2010-2011 we implemented College Summit to improve post-secondary education opportunities and preparation of our seniors. Additionally, we are a PBIS (Positive Behavior and Intervention Strategy) school developing strategies to recognize students for their positive behavior and achievements. All teachers are assigned to PLT (Professional Learning Teams) to develop instructional strategies to better serve our students.

W. J. Keenan will be in the third year of the 21st Century Community Learning Centers grant. The grant will focus on the academic and overall development of our ninth grade students as they transition into high school. In addition, I. DeQuincy Newman United Methodist Church has maintained a strong partnership assisting with our ninth grade population of students.

Keenan has been recognized for the following: 2010-2011 and 2011-2012 Palmetto Silver Award by the state of South Carolina for making substantial progress in closing the achievement gap; 2011-2012 Palmetto Gold Award for general performance; Army ROTC has maintained honor unit of distinction rating; W. J. Keenan's varsity girls basketball team are the class 2A state champions. We are proud of all of the accomplishments we have achieved and will continue to work hard every day to reach higher levels of success.
