REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

York Comprehensive High School continued its commitment to excellence focusing on higher levels of student learning and achievement while ensuring a "college going and career-readiness" culture. As a result of expanding opportunities and improving performance, YCHS was recognized with an Excellent Absolute Rating on the state report card, AP Honor Roll and as a Palmetto Gold School.

The driving force behind this year's success was once again our mission statement: "Working with the community, we will provide a diverse, innovative education in a safe environment enabling students to become responsible citizens in a global society." As in prior years, we are thankful for the strong unified support of our community, parents and school board. This is evidenced by the construction of our new state of the art high school which includes a performing arts center, an athletic complex and The Floyd D. Johnson Technology Center.

YCHS has continued to make our vision, "Building the foundation for tomorrow by sparking potential and inspiring success", a reality. The number of students who took dual credit and AP courses increased. Our "Middle College" program expanded. Six seniors received SC Academic Honor Awards and forty-six seniors were honor graduates. Two hundred and six seniors were potential Life Scholarship recipients. Ninety-four seniors received a Diploma with Distinction. For the sixteenth consecutive year, our NJROTC was recognized as a Distinguished Unit. Eighteen students participated in All-State Chorus. World language students received National and state recognition. The band won the SCBDA "Outstanding Performance Award". Over \$5 million in scholarships was offered to our seniors with approximately twenty athletes receiving scholarships.

The YCHS 100% highly qualified faculty and staff realigned the curriculum to focus on common core state standards incorporating a framework for meeting individual graduation plans. In addition, mentors were provided to each student thru "PRIDE", an advisor/advisee program while an academic reinforcement center offered students extra-time and extra help. Strategies to improve student performance on HSAP, EOC and SAT/ACT including embedded professional development on common core standards, were also implemented. Additionally, YCHS intensified its commitment to provide a safe and secure environment by the continued use of random drug dog searches, professional development on safe schools and implementation of new "best safety" procedures. YCHS provides a diverse and innovative education for our students to become responsible citizens in a global society. Please visit our website for additional information. www.york.k12.sc.us
