M.B. Kennedy Middle School is middle school with approximately 950 students in grades 6-8 in Aiken, SC. Our school is traditionally noted as one of the premiere schools in South Carolina and this year was no exception. Our students once again performed at high levels in both academic and extra-curricular affairs throughout the year. Academically, our students scored above average gains in MAP testing and our PASS testing results also indicated strong results again. M.B. Kennedy Middle School continued its strong reputation as a school of reading. Our student body accumulated over 120,000 Accelerated Reader points which represented over 10 million words and over 25,000 books being read. M.B. Kennedy Middle School’s mission statement stresses the education of each student and the preparation for high school. Our vision is to provide an outstanding environment where students can become successful members of our global society. This vision requires Kennedy Middle School to constantly strive to provide our students with additional support. We created enrichment classes for all of our students to provide additional academic support in our core curriculum classes. We also hired math and ELA tutors to provide support for our students who needed additional assistance. In other areas of success: 36 students were recognized as South Carolina Junior Scholars, 15 students qualified to as DUKE TIP recipients, 135 students received the Presidential Academic Award, 30 students selected to participate in the All-County Band, 3 students selected to the SC Middle School All-state Band. 100% of our 8th graders passed the Algebra 1 End of Course exams and 99.6% of our 8th graders passed the English 1 End of Course exams. 126 new students were inducted into our BETA Club. ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
