Report of Principal and School Improvement Council

Since its 1963 inception, Lakeside Middle School has been dedicated to providing a quality education for the children of our community. During the 2010 school year, the Anderson School District 5 approved Lakeside as the first middle level magnet school in the district. In August 2010, we opened our doors as Lakeside Middle School of Inquiry and Innovation, a STEM school. Our dedication to offering our students a rigorous and relevant educational experience is evident in the many new outstanding opportunities offered to our students.

Lakeside currently serves approximately 600 students in grades six, seven, and eight and has a diverse population representing various socio-economic, racial, cultural, and educational backgrounds. Our school offers courses in all core academics, fine arts, and technology which creates a unique learning environment designed to meet the needs of middle school students.

Lakeside is proud to offer our students many new opportunities. Students can choose courses during their related arts that encompass robotics, engineering, graphic design, game design, Smart lab, as well as all areas of fine arts. These classes give students opportunities to explore interests outside of the academic areas. They also have the opportunity to take accelerated classes, earn high school credit, and participate in the district's gifted and talented program or AVID. Eligible students are also provided the opportunity to take the SAT, ACT or PSAT in seventh and eighth grade to be identified as Duke TIP Scholars or as Junior Scholars. We are proud of the academic progress of our students and continually strive to improve our performance as well as our students.

Lakeside has partnered with Casio to provide a state of the art calculator for students and teachers. Teachers and students work with Casio instructors and Clemson University to implement inquiry into the math classroom. Also, this year our school partnered with the Anderson Rotary Club to implement a character education program called Early Act, First Knight in sixth grade. This program teaches our students the skills to help them grow into moral and ethical citizens. Our goal is to add seventh grade this coming school year. These partnerships provide our students and teacher opportunities to have real world interactions and challenges.

Lakeside has an active PTO who provides the foundation and support for the many activities that take place at our school. Parents are welcome, and we offer many avenues for becoming involved in our school. Parental involvement is a key factor in student success.

We are proud to offer our students a safe environment, a healthy start, an ongoing relationship with a caring adult, an opportunity for service, and a marketable skill through an effective education. The united mission and promise to our students and community will continue to guide our way into the future. Our challenge continues to be to find ways to raise student achievement, close the achievement gap, and to meet the needs of our students in an ever changing world. We hope you will join us as we continue to provide quality educational experiences for our children.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	89.6
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Lakeside Middle School of Inquiry and Innovation, a STEM School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
