**Report of Principal and School Improvement Council**

Cross High School, the only public high school in the Cross, Pineville, Pringlertown, and Eadytown area, is showing in numerous ways how the schools mantra "Education is The Key That Unlocks the Doors to a Brighter Future" is a part of daily life in our school. Continuing our emphasis on improving the quality of instruction and strengthening relationships between adults in our school and our students, our Trojan family celebrated receiving the Palmetto Gold Award for increased student achievement, in addition to receiving a "Bronze" rating for "Best High Schools" in this year's U.S. News and World Report. Our students benefitted from our comprehensive curriculum which includes college preparatory, honors, Advanced Placement, and quality Career and Technology Education (CTE) courses, as well as a variety of elective classes. Students were able to take courses not only through the typical format, but through virtual and on-line formats. Apex Learning labs were utilized to provide opportunities for students to recover lost credits, for remediation, and for acceleration.

As we watched the graduation rate and test scores improve in our school, we were very cognizant of the fact that the reason for the increases were directly related to the efforts of our students and staff and to the support of many parents and the community at large. Not only was our school recognized as a whole for improving, our students continued to excel and many were recognized individually for academic and athletic, excellence. Our achievement luncheons, academic and athletic achievement celebrations, and band superlatives are only a few of the many ways our students are recognized and rewarded for their efforts.

We continue to acknowledge that, while we as a faculty and staff are all working diligently at Cross High to ensure every child reaches his potential and has a quality education, we need and welcome the help of parents and community. Many efforts, including but not limited to our annual I" Kids/Community Day", our Title-1 parent education sessions, and school/community based literacy forums and initiatives foster stronger relationships between the community and the school—relationships that we value and see as essential in the education of our students.

As we continue to strive for excellence at Cross High School we encourage you, our Trojan family, to continue to be involved in our school through our parent, community and business partnerships; our School Improvement Council; booster clubs; advisory boards; and Parent Teacher Student Association. Please visit our school to see the great things that occur daily and to become involved in ensuring the success of our students.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
