**Report of Principal and School Improvement Council**

Brewer Middle School serves a diverse population of learners from multiple elementary schools in Greenwood District 50. We serve approximately 660 students in grades six through eight. Brewer offers a core program focusing on ELA, Math, Science and Social Studies and related arts classes which offer multiple opportunities for students. Brewer is also home to the ACTS Magnet Program. The Arts, Communication, and Theatre School uses a "school within a school" model providing artistically talented students with an academically challenging arts integrated curriculum.

Not only does Brewer offer an outstanding academic program, we also offer multiple opportunities for our students to excel in extra-curricular activities. Our athletic teams had a great year winning multiple conference and city championships. The Brewer Boy's Soccer Team and the Girl's Soccer Team went undefeated this year. Our Brewer Cheerleaders won multiple awards as well. Our Academic Challenge team finished second overall in the district competition. Our ACTS voice students placed 3rd overall in the State in the Mixed Choir Division. Eighteen of our drama students won ten awards this year in the SC Speech and Theatre Associations Middle School Festival.

Academically, Brewer Middle School had an excellent year. Four of our students were recognized as Duke TIP Scholars, we inducted 57 new Beta Club members, and we had 12 Junior Scholars. We had eight students selected to attend the South Carolina Governor's School for the Arts. Brewer was also proud to have 2 students recognized for scoring perfect on the PASS test.

Our students and staff did an excellent job this year with fundraising as well. We were recognized by The United Way for raising 157% of our goal which totaled over \$6400. We also raised in excess of \$2400 for March of Dimes, more than any middle school in our district. Clubs within our school also raised money for the Cystic Fibrosis Foundation and the American Cancer Society. We had multiple canned food drives this year to assist families in our community. Brewer also maintains a food bank in which we help serve various organizations in our community.

Our teachers were provided with multiple professional development opportunities throughout the year. They attended Project CRISS training, Capturing Kids' Hearts training, iPad training, Compass Learning training, Common Core State Standards training, along with other sessions as well.

We are very proud of our accomplishments this year and we attribute our successes to our dedicated faculty and staff, our Parent Teacher Student Organization, an active School Improvement Council, excellent district level leadership, a supportive school board, and parental and community involvement.

Mr. Chad M. Evans – Principal  
 Mr. Lawrence Johnson – SIC Chairperson

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
