## Report of Principal and School Improvement Council

We are proud to report that during the 2012-2013 school year, the South Carolina Department of Education recognized Gilbert Middle School as a recipient of the Palmetto Gold Award for General Performance. This marks the third consecutive year GMS has earned either a Palmetto Gold or Silver Award. We are proud of the hard work of our students and teachers.

Our teachers continue to work collaboratively to develop integrated units of study and common assessments. Our Academic and Behavior teams meet monthly to review school data and use their findings to make decisions regarding student support systems. Data provided by the Measures of Academic Progress, as well as other assessments, helps our teachers make crucial decisions as they work to meet the needs of their students in the best way possible.

Student achievement data indicates a weakness in the area of writing and mathematics. In addition, the data suggests the need for greater concentration on research skills. Professional development has been provided in writing and mathematics. Our media specialist and literacy coach provided our teachers with strategies to improve reading performance as well as research skills in all content areas.

We continue to utilize our Technology Integration Specialist to enhance our use of technology to support and improve learning. We are especially excited about our district's one-to-one personal mobile computing initiative. This initiative enabled middle schools to issue iPads to all their students and teachers. The devices are an excellent tool for learning and greatly enhance the educational opportunities for all students.

This year, our students supported several community projects including Relay For Life, Socks to Soles, Sistercare, Patty Packs and Special Olympics. Our students raised more than \$2,000 for Palmetto Animal Assisted Life Services and earned the honor of naming two puppies that will be trained to serve as assistants to veterans suffering from post-traumatic stress disorder. Of course, we named the puppies "Gilbert" and "Warrior"!

Students at GMS continue to excel in the areas of athletics and the arts. Our athletics teams finished with outstanding season records while our band, orchestra and chorus received numerous honors at state and regional festivals. We are proud of the hard work of our teachers and coaches as they help develop students who are accomplished academically as well as in the arts and athletics.

We want to thank our PTO and SIC for their assistance in enhancing the educational experience for our students.

Principal Benji Ricard, Ed.D., and SIC Chair Angie Lewis

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child’s district or school.
