Report of Principal and School Improvement Council

As a 2011 Palmetto Silver Award Winner, Mid-Carolina Middle School continues to strive for levels of excellence in learning and making our students productive citizens! Maintaining communication from school to home and around the community continues to be a goal.

MCMS modified the Catch-up Café for struggling students in the areas of academics. Transition Nights for rising 6th, 7th and 8th graders were held in the spring to assist parents with new expectations. An end of year Promotion Ceremony was held for 8th grade students entering high school next year. Single-gender classes continue to be utilized in grades 6 through 8 in the core subject areas. An enrichment period also continues to be implemented for every student to work on problem solving strategies as well as enrich the four core areas. The school added an academic assistance class for struggling students to develop additional English and math skills in addition to continuing to provide after-school tutoring.

MCMS school wide goals continued to be maintaining high levels of literacy to include reading, writing and speaking in all classes. We implemented the next steps in the Internal Instructional Review process for attaining high expectations on all assessments. We increased communication from school to home by utilizing a daily agenda as a communication tool, the school Alert Now message system, adding teacher websites to include homework assignments, improving our school website, sending home a monthly school newsletter and inviting all parents to sign-up for Parent Portal.

MCMS values the key practices of the Making Middle Grades Work Initiative as well as the district-wide Working on the Work Framework for creating engaging lessons for students. MCMS expanded opportunities for students to develop their social well-being and awareness through FCA, Bowtie Club and extensions of Gentlemen's and Ladies' Clubs. A new B Honor Roll was added to be more inclusive of academic achievements. We conducted an open house: A Day in the Life of Your Middle School Student, a winter curriculum night for parents which showcased student based performances and displays and the Spring Arts Festival.

The school continued increasing communication in the community by sending the school newsletter to all local churches and district staff. Community Service Projects included Relay for Life, Caps for Cancer, Good Works Partnership, American Heart Association, Operation Christmas Child, Juvenile Diabetes, Pennies for Patients and the Manna House Canned Food Drive.

Accomplishments included: Mr. Robert Flint- Teacher of the Year & Ms. Sharon Derrick- Support Staff of the Year, SC State Technology Student Organization Winners with the entire team going to Nashville for nationals, 5 students won invitations to compete at the National Beta Club Convention, Excellent Rating in Band Concert Festival, Superior Ratings at Solo and Ensemble, Excellent Rating for Chorus Festival, 3 students were honored as Regional Math Meet winners, 3 Junior Scholars, 9 Duke Tip Students, and 75 new inductees in the Junior Beta Club.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
