## Report of Principal and School Improvement Council

Pickens Middle School, a 2012 SC Education in the Environment School, a 2011 National School to Watch, National Blue Ribbon School of Excellence and a National Service Learning Leader School, works daily with parents and community to emphasize high academic achievement, career awareness, and citizenship through diverse learning opportunities in a secure and caring environment. Pickens Middle has been named a South Carolina Safe Kids School (2011, 2012, 2013), National School of Character Promising Practices, an Exemplary Writing School and a Carolina First Palmetto's Finest state middle school. We seek to improve student achievement by reading across the curriculum, creating career awareness through job shadowing activities and increasing parent involvement. The faculty participates in numerous staff development conferences through Southern Regional Education Board (SREB), the South Carolina Middle School Conference, and other state and local conferences. Differentiated instruction, Thinking Maps, Literacy, and technology integration are among the staff development activities that the faculty participated in during school day meetings. Selected by the State Department of Education, the school is in the seventh year of a project to use the environment as an integrating context for learning. Students participate in this project in an effort to close the achievement gap. As a national leader in service learning, we continue to involve 100 percent of the faculty and students with service learning integrated into the curriculum. Plans are to develop a professional library to offer to teachers the resources for innovative teaching techniques. It is our belief that by enlisting the support of the faculty, staff, administration, parents, and the community, we will achieve our goal of engaging students who can cope with the demands of an ever-changing world. Strong community support is shown through our civic organizations and business community partnerships that provide both financial and personal support to our school.

Dr. Libba Floyd, Principal

Don Lundquist, School Improvement Council

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>84.4</b>
