| Percent of expenditures for teacher salaries** | 58.0% | Down from 60.3% | 61.0% | 61.0% |
| ESEA composite index score | 88.4 | Up from 81.8 | 87.1 | 83.5 |

* Length of contract = 185+ days.

** Prior year audited financial data available.

EVALUATION RESULTS

| | Teachers | Students* | Parents* |
|--|----------|-----------|----------|
| Number of surveys returned | 33 | 215 | 177 |
| Percent satisfied with learning environment | 84.8% | 77.7% | 85.9% |
| Percent satisfied with social and physical environment | 91.2% | 80.2% | 84.8% |
| Percent satisfied with school-home relations | 87.9% | 88.1% | 78.2% |

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During 2012 – 2013, Beaufort Middle School students Made their Mark academically, artistically, and athletically as 21st century learners. We celebrated 30 SC Junior Scholars; 36 seventh graders qualified to participate in the Duke Talent Search and five of them received state recognition as TIP Scholars. Thirty-seven 8th grade students were inducted into the National Junior Honor Society; 16 students placed in the Regional Science Fair; and 23 students served as ambassadors for our school and community in this year's Beaufort Junior Leadership Class. 26% of our students were enrolled in high school credit classes and 30% received gifted and talented services. Title 1 funding equipped all core academic classes with iPad technology labs, funded an after-school program, and provided extra support to students during the school day in math and ELA. Through TAP Professional Development Clusters, staff focused on best practices in vocabulary and measurement. Spring MAP (Measure of Academic Progress) scores reflected average scores above national norms and impressive target growth in vocabulary and measurement. As a partnership school with the USC Department of Environmental Engineering, we implemented specific critical thinking and problem-solving lab experiments in science through a grant funded by the National Science Foundation. BMS continues as an Arts in the Basic Curriculum site and Distinguished Arts Program school, receiving grant funding for arts instruction and integration. Original plays and performances, storytelling, and visual arts integrated with our local watersheds provided arts experiences for all students. Fifteen students performed in All County Orchestra, 30 in All County Band; BMS students performed for the ribbon cutting ceremony for our community's new Rails to Trails; and five 6th grade students took the top winnings in our community's storytelling festival, performing on stage with professional artists. Sixth grade artists and poets published a book titled from Anonymous, and Arts Advocacy Day in the spring was well attended by families, local dignitaries, and state legislators. Gryphon football and softball teams won 1st place as Regional Champions this year. Grant funding supported our comprehensive health program and Overcoming Obstacles, a life skills program for all students. Our Parent Action Council supported BMS initiatives with endowments of public art and two athletic recognition banquets. Students participated in Common Core Assessment pilots and staff learning included developing project based tasks that support new standards, literacy, application of 21st Century Skills, and real world application. Six staff members presented at state conferences this year on middle school best practices. BMS donated over \$8,000 to charities including St. Jude's Research, American Heart Association, CAPA, HELP, Cystic Fibrosis, Toys for Tots, and schools in Oklahoma devastated by tornadoes. We are proud of the accomplishments and continuous learning of our students and staff and the support of our families and community. We remain committed to rigorous learning for all students. Challenges that we embrace for the future include integration and alignment of Common Core standards with relevant assessments, supporting the needs of our struggling students and challenging our gifted learners, while ensuring all students are performing as 21st century, college and career ready adolescent learners.

Carole T. Ingram, Principal
Lakinsha Petty, SIC Chairperson
