## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

St. Andrew's Middle School has completed a successful school year. We continue to make progress in challenging and engaging students for instruction. Teachers participated in numerous hours of professional development. In addition to required district and school professional development time, we met once a week during TCT and covered additional professional development training.

The following accomplishments highlight our student success for the year: we had four Junior Scholars, our Spelling Bee entry finished 4th in the district, our female entry in the State Optimist Speech Contest finished first and our male entry finished second, our Senior Girls Basketball team won the Conference Championship, our Odyssey of the Mind Team won the South Carolina State competition and also competed in World Competition at Michigan State University, all of our Algebra I students passed their End of Course Test and 50% of them received perfect scores. Additionally, St. Andrew's received the Palmetto (Silver) Award (2nd year in a row) for closing the achievement gap based on 2011-12 PASS results.

Our students this year participated in football, baseball, basketball, cheerleading, volleyball, band and strings/orchestra.

St. Andrew's Middle School is a Title I school that is continuing to provide the foundation for our students to learn, grow and succeed. Our students, faculty, staff, parent's PTO and School Improvement Council are committed to promoting academic achievement.
