REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Gregg Middle School, located in a suburban area of Summerville, is one of six middle schools in Dorchester District Two. Our students have many opportunities for learning that include gifted and talented, advanced, and special needs courses. We also advocate strongly for the fine arts with courses in band, chorus, dance, orchestra, guitar, piano, and visual arts. Fifty-seven highly qualified teachers serve approximately 1,050 students in grades 6-8, along with 3 administrators, 3 guidance counselors, a media specialist, an instructional technology specialist, a full-time nurse and school psychologist. Our SIC and PTSA are strong and active supporters of our school, working collaboratively with faculty and staff. Our vision is to provide a safe, structured learning environment to promote high expectations for student achievement and to encourage success through character development. Our school community lives and breathes our motto, "Success is the ONLY Option."

Gregg Middle School was recognized as a Palmetto Gold Award winner for the 2011-2012 school year for overall student achievement and Closing the Achievement Gap. This program recognizes schools that attain high levels of academic performance and those that attain high rates of growth. Our students excelled in many academic, athletic, and artistic areas. Approximately 24% of students were enrolled in high school credit courses, including Algebra I, English I, Spanish I, Geometry, and Keyboarding/Computer Applications. Twenty seventh graders participated in Duke TIP, with five students earning state recognition. Twenty eighth graders were also named SC Junior Scholars. Many of our seventh and eighth grade students enjoyed participating in the district's middle school and high school athletic programs, as well.

We continued to focus on literacy and utilize research-based programs, such as Read 180 for our struggling readers and Voyager for our special needs students. English Language Arts classes were divided into reading and writing content classes to provide more instructional time focusing on the Common Core State Standards. In addition, remediation and enrichment classes were offered in reading and math. Our teachers continued to participate in professional development with eleven completing coursework to earn gifted and talented endorsement, bringing the total to twenty-four.

Gregg Middle School continued the Positive Behavior Interventions and Supports (PBIS) program school wide through Mustang PRIDE, which stands for Prepared Responsible Individuals Determined to Excel. Students were rewarded for good behavior, good character, and good grades with Gold Cards. Students proudly displayed their Gold Cards which earned them special privileges throughout the school year. We are proud that GMS earned the Banner Recognition Award for implementing PBIS with fidelity and quality this year.

At Gregg Middle School, we are continuing to strive for excellence and are dedicated to making a positive impact in the lives of our students.
