Percent satisfied with school-home relations	89.2%	84.7%	90.9%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Creek Bridge High School is to ensure that all students are prepared to succeed in a global society by providing meaningful educational experiences in a safe and nurturing environment, and we are proud of our progress in fulfilling this mission during the 2012-13 school year. We continue to move forward academically, athletically, and socially. Our students participate in a variety of opportunities for success in both the classroom and through extracurricular experiences. We continue to implement the Education and Economic Development Act, which is designed to increase student achievement, reduce dropouts, and better prepare students for post-secondary education and employment. Our teachers continue to teach a standards-based curriculum and analyze data regularly to inform instruction. Frequent, targeted professional development is available both on-site and through regional and state opportunities, and teachers work collaboratively to improve instructional practices and meet the individual needs of students. Teachers use the Measures of Academic Progress (MAP) tests, Fountas / Pinnell Reading Assessment System, and quarterly benchmarks to monitor student growth in reading, math, and other core subjects; students with identified weaknesses receive academic intervention during Completion Café, Warrior Time, Weekend Warriors, Leadership Lunch & Learn, content and credit recovery, after-school tutoring, or small-group pullout sessions. Creek Bridge High School is also proud of the wealth of technology available to our students. Through grants and partnerships, we have been able to supply all students in grades 8-12 with a personal laptop, provide students with three state-of-the-art computer labs and three laptop carts, and equip each classroom with an interactive whiteboard. In addition, we have ipads, ipods, flipcams, digital cameras, and Kindle Readers available for students to use in completing high-quality projects and assignments. Our school was awarded Palmetto Gold.

We provide a variety of opportunities for students to participate in team sports and leadership activities. Our students have been successful in regional, state, and national competitions in areas of math, business, and art. Athletically, we involve boys and girls in a strong program of football, basketball, baseball, track, and cheerleading. Also, school organizations such as FBLA, GearUp, and JAG-SC (Jobs for America's Graduates) allow students to travel to state and national conventions, visit college campuses, and participate in service learning projects in the community.

We will continue to seek ways to improve student achievement and home/school relationships as indicated by our school report card surveys. As always our parents, students, teachers, and community members form a family focused on "building bridges to the future". We stand firmly committed and will continue to maintain our "laser-like" focus on improving our school. "Experience Excellence...Experience Creek Bridge!"

Mr. Robert A. Smalls- Principal
Mrs. Rena Willard- School Improvement Council Chair
