Report of Principal and School Improvement Council

Upon entering our building, one can immediately sense the child-centered atmosphere that has already made Laurel Hill Primary School (LHPS) an award-winning school.

At LHPS we are committed to the success of each child. Our students continue to grow in all areas: academically, socially, physically, and artistically. We are determined to provide a child-centered and developmentally appropriate learning environment in each of our classrooms.

One recent area of focus is providing students with authentic writing opportunities. Eleven additional classes participated in writing labs this year as our teachers worked alongside our teacher coach exploring different units of study with the children. Our students have the opportunity to consistently write about their own experiences and/or topics of interest which has helped to cultivate the love of writing that we see each day. This year LHPS earned reaccreditation through the National Association for the Education of Young Children (NAEYC). This prestigious status has been described as the gold standard by which early childhood programs are evaluated.

We also believe that we must show evidence of growth in student achievement as measured by standardized assessments. The LHPS teachers and administrators monitor student achievement regularly, and we are very pleased with our outstanding results in all content areas. For example, nearly all of our second grade students (82% in reading and 91% in math) scored above the national average and the vast majority (57% in reading and 71% in math) scored above the 75th percentile as indicated by MAP assessments. This data, coupled with the above-mentioned accreditation status, validates the incredible work that our dedicated teachers perform on a daily basis.

As LHPS perpetually works toward our vision of a professional learning community, our teachers continue to participate in workshops, on-site graduate courses, professional book studies, and national conferences. We held our seventh annual Laurel Hill Mini Conference that provided a venue for our master teachers to present sessions to other faculty members. Current research clearly indicates that the greatest factor in student success is a master teacher in every classroom. We are thrilled that fourteen of our current faculty members have already achieved National Board Certification and that others will be pursuing this professional honor in the coming year.

Various annual events were once again held for our school community including Family Reading Night, Math Night, Art Night, and our Turtle Trot. LHPS is proud of our current success, and we are committed to continued improvement in all aspects of educating our children. We appreciate the support from our PTA, School Improvement Council (SIC), Park West Campus Education Fund, parents and the Mt. Pleasant community, whose partnerships involve volunteering, fundraising, tutoring and organizing various events. The primary goal at Laurel Hill Primary School is to challenge every one of our students to meet his or her greatest potential. We focus daily on helping our children cultivate a love of learning that will last a lifetime.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	99.9
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Laurel Hill Primary School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
