Definitions of Performance Rating Terms

* Technical Skill Attainment --- The percentage of students enrolled in career and technology courses at the center who earn a 2.0 or above on the final course grade.

* Graduation Rate --- The percentage of 12th grade career and technology students who graduate in the spring.

* Placement Rate --- The percentage of career and technology completers available for placement over a 3-year period who are actually placed in postsecondary instruction, military services, or employment.

Report of Director and School Improvement Council

Working with the community, we will provide a diverse, innovative education in a safe environment enabling students to become responsible citizens in a global society. This mission was the driving force that enabled us to complete our fourth school year in the "New" Floyd D. Johnson Technology Center located at 275 E. Alexander Love Highway in beautiful York, South Carolina. A big thank you to our community, stakeholders, and school board for providing our students with a first class Career and Technology Center located on the campus of York Comprehensive High School. Because we believe that each child is unique, we believe that having a strong marriage between Core Academics and Career & Technical Programs is essential for preparing students for a seamless transition from secondary education to post-secondary education, the military, or directly into the work force. This is what another of our belief statements, learning is a life-long ever-changing process, is all about.

At Floyd D. Johnson Technology Center, our vision of "Building the foundation for tomorrow by sparking potential and inspiring success" is a reality since every completer has the opportunity to reach his or her full potential by graduating not only with a diploma but also with a National Credential, Dual Credit, a Work-Based Learning Experience, or an experience in a State and/or National Competitive Event. During the 2013-2014 school year, 89 students received an industry recognized credential in their program of study. 41 Career and Technical Students were awarded Dual Credit with York Technical College. 475 students participated in some type of Work-Based Learning Experience with 590 total activities recorded. 30 students earned recognition into the FDJTC Wall of Fame by placing in the top 3 in state competitions. 7 third place winners, 4 second place winners, and 19 first place winners earned their way into the Wall of Fame. 34 Career and Technical Concentrators earned admission into the National Technical Honor Society. We commend these students and this is what we are all about at Floyd D. Johnson Technology Center. We are committed to providing a diverse and innovative education for our students to become responsible citizens in a global society.

Ron Roveri, Director Lisa Robbins, Advisory Chairman

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	N/A
Overall Grade Conversion	N/A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Floyd D Johnson Technology Center has been designated as a:

	Title I Reward for Performance - among the highest performing Title I schools in a given year.
	Title I Reward for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the lowest 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
