District Superintendent's Report

The Abbeville County School District continues to fulfill its vision as "A Model of Excellence in Education". This was proven in the 2013-2014 school year as all schools in the district eligible to receive the Palmetto Gold Award for student achievement did just that! Also, Abbeville High School received a Gold Award and Diamond Hill Elementary School received a Silver Award for closing the achievement gap. Another impressive accomplishment is that the graduating students received scholarships in the amount of \$5,162,702. Our educators are to be commended for their dedicated efforts in taking the students to the highest levels of learning and success.

Although we are tremendous proud of all this success, we do not want to become complacent. We want to continue our efforts to be among the top ranking districts in South Carolina for student achievement. Our schools continue to bring education to the students by using the most cutting edge ways possible. It is our continued goal to develop proficient, creative, self-motivated students in a safe and healthy environment.

We are all dedicated to see our students succeed. From our School Board to teachers, administration, staff, students and parents it is our goal to continue to be "A Model of Excellence in Education".
