District Superintendent's Report

The 2013-14 school year was a great year for Anderson School District Two. Academic achievements included the district being recognized as an Excellent district with Excellent student growth performance for the 2nd consecutive year and being ranked 6th in the state. Six schools received an overall grade of A on the State Report Card. Out of 30 PASS tested areas in grades 3-8, students in the district performed in the top 10% in 16 of those areas. Creating students who are prepared for college and career is at the heart of the district's instructional goals. Students are encouraged to reach for excellence through a variety of programs and supports which include but are not limited to: Dual Credit and AP coursework, gifted and talented programs, Merit Academy, reading intervention support programs K-12, a student mentoring program, and PBIS.

Staff development throughout the year focused on the areas of Math and ELA with an emphasis on supporting teachers in the K-12 movement to Common Core State Standards (CCSS). Math and ELA staff development and coaching supports were provided at all levels to ensure a thorough understanding of best practices in both instruction and assessment. Additional emphasis was placed on creating math assessments at the K-2 level aligned to the CCSS level of rigor. Writing instruction continued to be an area of focus and a writing committee convened throughout the year to study and guide writing best practices. We continue to strive to prepare our students to be responsible and resourceful digital natives through varying technology approaches and instructional applications. Staff continues to explore and develop strategies to help students develop the "super skills" which will be needed in the real world: collaboration, communication, critical thinking and creativity.

Anderson School District Two's most significant change for the 2013-14 school year was relocating the 5th grade students from Honea Path Middle School to Honea Path Elementary. It was the district's belief that students at that age level are best served in an elementary environment. In addition, the district has embarked on a journey that will provide a laptop device for all certified teachers that can be used for work at home, connection to their Promethean Board, or as a mobile device in the classroom. The entire district now has full wireless capabilities allowing students to use their own devices.

Anderson School District Two is a district that parents, students and staff are proud to call home. Our students excel at every level and are involved in many athletic, academic, art and community service opportunities. The expectations remain high due to dedicated leaders and staff and the resources are always available due to a community that believes in the vision of the district. Anderson School District Two will continue to lead the way for the next generation of students. It is a great day to be a Bear!
