**District Superintendent's Report**

Bamberg School District One has experienced another exciting year in terms of academics, athletics, and the arts. Our doors opened in August 2013 to 1400+ students at Richard Carroll Elementary, Bamberg-Ehrhardt Middle, and Bamberg-Ehrhardt High Schools with students, faculty, and administrators ready to begin another great year. The mission of this proud school district is, in partnership with the home and community, to provide effective educational experiences that lead to increased student achievement that will result in independent, lifelong learners in a global society. This is evidenced in part by the fact that our small graduating class of 2014 amassed a total of \$3.25 million in scholarships. Our small, rural district offers a wide range of educational opportunities to all students. Elementary children receive regular instruction in computer technology in addition to an enriched curriculum in reading, mathematics, science/science lab, social studies, physical education and the related arts of music, art, band, and library skills. Richard Carroll Elementary School (RCES) implemented The Leader in Me process with faculty and staff two years ago and brought it full force to the students in August 2013. It has been extremely well-supported by our local citizens and businesses and the discipline referrals of students at RCES have declined significantly. We look forward to continued success as our children continue to flow through the process.

Bamberg-Ehrhardt Middle School (BEMS) was the recipient of the Palmetto Gold Award for Academic Performance and the Palmetto Silver Award for Closing the Gap between ethnic groups. This is a reflection of the dedication of the faculty and staff as well as the students' willingness to respond to the high expectations placed upon them. Students have a chance to participate in extracurricular activities at the middle school level and many take advantage of these academic, artistic, and athletic opportunities.

Bamberg-Ehrhardt High School (BEHS) operates on the 4X4 block, giving students an opportunity to earn dual-enrollment credits with local technical schools and colleges. Operating under the guidelines of High Schools That Work, BEHS continues to provide a wide variety of extracurricular activities that provide all students with the opportunity to enhance their learning experiences.

With the support of our parents and communities, Bamberg School District One will set the achievement bar even higher for the 2014-2015 school year. As always, we believe that Bamberg School District One is the 'place to be!'...so y'all come when you can!
