District Superintendent's Report

As we end another school year, I would like to congratulate and thank the entire District Six family. Our students, staff, Board of Trustees, and our entire school community are to be commended for the wonderful school year that we experienced in the 2013-2014 school term. We had another tremendous year led by the fact that for the third year in a row the state has rated District Six as an excellent school district. We are one of a small handful of districts across the state to achieve this honor. We also continue to excel in the areas of academics, the arts, and athletics. Please visit our district website, Facebook page, or download our district app for more details and information.

School District Six is a leader in areas of innovation. We are a leading district in the state in the Transform SC education initiative. We are an incubation site for innovative practices for Pre-K through College and Career Readiness for the state. Our goal is to provide all students with a real-world educational experience – one that provides each student with an individualized plan that prepares him/her to be college, career, and citizenship ready. Evidence that we are accomplishing this goal can be found in our Pre-K – 12 efforts that produced an outstanding graduation rate of 94.5% for students who are in our district from 9th- 12th grade and an overall graduation rate of 85.7%. This is one of the highest graduation rates in the state. We are proud also that 85.6% of our seniors will attend college, 3.1% will enter the military, and 11.3% are prepared to enter the workforce.

I would also like to thank our advisory boards who offer insight and guidance to our Deans for our Schools of Study in our District: School of Arts, Humanities and Communication, School of Business Management and Information Systems, School of Engineering, Manufacturing and Industrial Technology, and the School of Medicine. Our students earned 1289 college credits last year through a combination of Advanced Placement and Dual Credit. Our Dual College Credit scholarship program has been very successful and continues to grow. Our students can take dual college credit courses at no charge. This past year 649 dual college credits were earned. Opportunities will only increase this year as we move into our new College, Career, and Fine Arts Center.

The safety of students is our top priority in District Six, and I would like to commend the School Resource Officers at all of our schools in the district for always going the extra mile to help our students and staff stay safe.

Special thanks to our Board of Trustees for all of their many hours of selfless service, guidance, and leadership as they govern and direct our school district on a path that puts students first and focuses on continuous improvement and innovation.

We will continue to focus all of our efforts into accomplishing the mission of this district. We will continue to partner with all our stakeholders to make this a place where all “children are always first.”
